## Editor's NOTEBOOK

Dear Archie Readers,

Now that summer vacation is in full swing, I thought you'd like to know about some of the exciting new books to look for this month. First, there's the Veronica Summer Special #625, November. It's Veronica in all her glory from her expensive taste in clothes to her questionable taste in boyfriends, namely Archie. If you are a Veronica fan, this is one issue you don't want to miss. Then there's Archie and Me #626, November. Can you imagine Mr. Weatherbee stuck with Archie for an entire summer? A scary thought to say the least, especially for Mr. Weatherbee. Nevertheless this hilarious issue will have you rolling on the floor, down the steps, up the hill, around the corner, down the street. So roll by your favorite newsstand or comic shop and pick up your copy today. Our latest edition to the Archie Comic line is the first issue in a four issue mini-series of the Koosh Kins. This #1 collectors' edition is on sale JULY 30, so start your Koosh Kin collection before they're all sold out.

Don't forget, if you're entering the Archie Interview Contest, all interviews must be in and postmarked no later than July 31, 1991. Also, you can still keep sending in Archie anniversary cards. We're wallpapering the Archie editorial offices with them and I might say they look absolutely fantastic.
